

The City of Franklin Street Department will begin bagged leaf pick-up Friday, October 14, 2016. Residents should place their filled paper biodegradable bags along their front yard near the street for pick-up by the Street Department on Mondays and Fridays throughout leaf season. City crews will only pick up paper biodegradable bags that are available at many local stores.

Leaf pickup by the vacuum machine will begin later in October with a weekly schedule posted in the Saturday editions of The News-Herald and also on the City website, www.franklinpa.gov.

If residents have any questions or bagged leaves that were not picked up, please call the City Garage at 437-1600 between 7:00 AM and 3:00 PM Monday through Friday.
